Communication, Time Management, Problem Solving, Group Work, Self-Starter

### Projects

#### **Travel Lovers**

Project Team Member

GitHub: <https://github.com/nicnolen/Travel-Lovers>

Deployed Project: <https://travel--lovers.herokuapp.com/>

- Allows a travel enthusiast to create an account to log past, upcoming, and bucket-list trips.
- Responsibilities included designing the website, making API routes for the login page, and creating sessions.
- Tools/Languages: HTML, CSS, Bulma, SASS, Font Awesome, Markdown, JavaScript, jQuery, Handlebars.js, Express.js, bcrypt, session-storage, Sequelize, MySQL, Jest, Insomnia, GitHub, Heroku, JawsDB, MVC, ORM, TDD, OOP

#### **Watchopedia**

Project Team Member

GitHub: <https://github.com/felipezintzun/watchopedia>

Deployed Project: <https://felipezintzun.github.io/watchopedia/>

- Gives users who are unsure about what to watch an easy way to search for actors, movies, or television shows.
- Responsibilities included populating the actor section, creating the input and dropdown lists, and linking the API's to the correct sections.
- Tools/Languages: HTML, CSS, Bulma, Markdown, JavaScript, TVMaze, The Movie Database, Git, GitHub

#### **Hawker**

Project Team Member

GitHub: <https://github.com/nicnolen/Hawker>

Deployed Project: <https://texas-hawker.herokuapp.com/>

- Gives users a marketplace for buying and selling items.
- Responsibilities included using JWTs and GraphQL to Authenticate users on the back end, and implementing this into the Signup and Login components using React.js on the front end. The page was styled using SASS.
- Tools/Languages: HTML, CSS/SASS, JavaScript, Markdown, MongoDB, Express.js, React.js, Node.js, bcrypt, TDD, Jest, MVC, Cloudinary, Git, GitHub, GitHub Actions, Heroku

## **Work Experience**

### **The Home Depot**

*Electrical Associate*

2021  
Bee Cave, Texas

- Awarded 3 Homer Awards for going above and beyond the call of duty.
- Aided people affected by Hurricane Nicholas by making over 400 hurricane relief kits.
- Regularly worked in 7 departments when the store was short-staffed to ensure customer satisfaction.

### **Balcones Resources**

*Intern*

2018  
Austin, Texas

- Displayed programming expertise and innovativeness by updating Fleetmatics, increasing truck efficiency.
- Mapped out over 300 competitors through Google Maps to establish ideal spots to build a new recycling plant.

## **Education**
